The Lodge address is 6225 East 1200 South, Heber City, Utah 84032. Because this is a very new address, many navigation programs will not have it updated correctly yet. They will get you close, but probably won't land you right at the Lodge. We recommend following the instructions above and watching carefully for our entrance sign after you have traveled 5 miles from HWY 40 on 1200 South (due east).
